--	--

This index covers AWA publications from 2006 through mid-2020: issues of the *AWA Journal* from Vol. 47 No. 1 (January 2006) through Vol. 60 No. 3 (Summer 2020), and the *AWA Review*, Vols. 19 through 33.

References to *Journal* articles are in the form of volume-number-page (e. g., 54-4-41. Review citations are given as "R," with volume and page (e. g., R2-21).

Items cited in this index vary in size from a passing mention to a major feature. An item of a full page or more is shown with an asterisk. An @ sign indicates an article of three or more pages. A "+" denotes an article split among multiple issues.
